

Results of the business mission of Russian enterprises to the Republic of Rwanda (December 16 - 19, 2019)

From December 16 to 20, 2019, a business mission of Russian enterprises to the Republic of Rwanda, organized by the National Guild of Producers and Importers and ANO Mosprom, has taken place. The Russian delegation was attended by the representatives of Moscow enterprises in the industrial sector.

As part of the business mission, negotiations were held with the representatives of the Rwanda Development Board (RDB), the Ministry of Industry and Trade of the Republic of Rwanda, the Ministry of Health of the Republic of Rwanda, the Ministry of Infrastructure of the Republic of Rwanda, the Ministry of Environment of Rwanda, the Council for the Development of Agricultural Export.

In addition, as a part of a business mission, negotiations with the commandant and medical staff of the Kigali military hospital were held, with the leadership of the central Rwandan Biomedical Center, with representatives of industrial enterprises and business circles, agricultural exporting companies and other organizations of Rwanda.

Visits were organized to the special economic zone of Kigali and to Rwandan enterprises.

Presentations of Russian companies and B2B meetings with Rwandan companies took place.

The visit opened on December 16, 2019 with a visit to the Kigali Genocide Memorial Center

The Genocide Memorial Center (Gisozi) is dedicated to the tragic events in Rwanda in 1994. That year, within 100 days, about one million people were brutally murdered, and the total population of the country at that time was about eight million. The essence of the conflict was reduced to irreconcilable contradictions between two ethnic groups - Hutus and Tutsis. The 1994 genocide in Rwanda occurred with the complete non-intervention of the UN.

Russian delegation got acquainted with the permanent exposition, which explains the mechanisms that led to the genocide in Rwanda, visited the Children's Memorial, where children's photographs are hung, some of which are enlarged several tens of times and each photo has a corresponding caption telling the fate of the child and the reason death, as well as the memorial burial of more than 250 thousand people.
